

CHEMISTRY

WAITING LIST

Students on the waiting list will be moved into an available seat in a Chemistry class in the order of their number on the waiting list. This will only happen if students enrolled in Chemistry need to cancel their registration.

You will remain on the Chemistry waiting list until the start of summer school. If you listed an alternate class on your initial registration or if you would like to add an alternate class if it is still available, please call our office. We can enroll you in your alternate class while keeping you on the Chemistry waiting list.
